

# **Fear factor**

## **BUBBLE EDITION**

### **Round 1 – Musical Bubbles**

Pass the giant bubble quickly to the person next to you! If you get caught with the bubble when the music stops, you are out of this round! **The last contestant left get 5 points.**

Contestants sit in a large circle, about 3 feet apart. They must pass a large PINK water balloon around the circle as music is played, without breaking it. Everyone who gets wet is out, as well as each person left with the balloon when the music stops.

---

### **Round 2 – Gross Out Gum Quest**

You have one minute to find as many pieces of gum, blindfolded, inside this bag of worms. **Each piece of gum found is worth 5 points.**

Using small, black garbage bags put a large amount of cooked spaghetti into each bag. Place several pieces of unwrapped gum in the bag. The object of the game is to find as many gum pieces as possible, blindfolded, amongst the "worms" in one minute.

---

### **Round 3 – Bubble Trouble Diaper Doodie**

Each contestant will have to find the hidden piece of bubble gum in the dirty diaper and blow a bubble before three minutes expires on the time clock! **NO HANDS ALLOWED** in this round!  
**Each contestant who completes the task will be rewarded 10 points.**

Get ready for a mess! Set up an open diaper filled with chocolate pudding, chocolate candy (i.e. tootsie rolls, raisinets) and one piece of bubble gum for each contestant. Make sure you have your camera ready for this one.

---

### **Round 4 – Bubblepalozza**

Ok, time to put your bubble-blowing skills to the test! Unwrap, chew and blow a bubble. But don't pop it! Squish the end tight and gently place it on the plate in front of you. Repeat. Create as many bubbles as you can before the 3 minute timer goes off! **Each bubble created is worth 5 points.**

Have several packs of gum and a large paper plate ready for each contestant.

---

### **Prepare for 15 Contestants. Supplies Needed:**
