

# Love Potion

**Effect:** Causes the drinker to become infatuated with the giver of the potion

**Side Effects:** Drinker remembers being under potion's influence and is left mortified

## Ingredients:

- Unicorn tears (water)
- Ashwinder eggs (sugar cubes)
- Rose thorns (tea bag)
- Peppermint (Peppermint lifesaver)
- Powdered Moonstone (powdered sugar)

## Directions:

Boil unicorn tears and steep with rose thorns. Once potion achieves desirable color, remove rose thorns and add 3 Ashwinder eggs. Crush peppermint to a powder and add to potion. Stir 3 times clockwise and three time counterclockwise. Top with one teaspoon of powdered moonstone. Let cool before transferring to a potion bottle.

# Exploding Potion

**Effect:** A very volatile mixture when completed.

**Side effects:** Can cause an explosive sensation in the mouth if drunk.

## Ingredients:

- Dragon's blood (12 or 16 oz bottle of lime soda)
- Crushed red spiders (Package of red Pop Rocks)
- Cow bladder (A 9" balloon)

## Directions:

Using a funnel, pour red spiders into the cow bladder. Open the bottle of dragon's blood and attach the cow bladder, but do not let the spiders fall into the dragon's blood bottle just yet. After the bladder is attached, lift up the bladder to allow all of the spiders to fall into the blood. The bladder will fill with explosive gas. Once bladder deflates immediately cork your bottle!

# Felix Felicis (aka Liquid Luck)

**Effect:** Increase the luck of the drinker

**Side effects:** Overuse can cause giddiness and reckless behavior. Extremely toxic in large quantities.

**Characteristics:** Molten gold in color. Droplets leap like a goldfish above potion's surface when in cauldron

## Ingredients:

- Chilled Leech Juice (Lemonade)
- Bee Extract (Honey)
- Gold droplets (Lemon Peel)

**Directions:** Combine ¼ teaspoon gold droplets with 1 tablespoon of bee extract in a separate bowl. Gently stir 13 times with your eyes closed. Add mixture to one tall glass of chilled leech juice. Stir gently another 13 times, this time looking at the ceiling. Once stirring is complete, potion is ready. Refrigerate unused potion.
