Teen Vs. Parent Minute To Win It!

<http://www.nbc.com/minute-to-win-it/how-to/>

Teen Vs. Parent is one of the EASIEST and least expensive programs you will ever do!

The basis of the program is to finish tasks in 60 seconds to move onto the next level.

The website above is from the actual Minute to Win It show and contains all of the “blueprints” of how to do the tasks which use household items.
