

YASD Meeting

Thursday, September 20, 2007

9:30 a.m. - 11 a.m.

Harborfields Public Library

Now that our Summer Reading Clubs are complete, let's get together and discuss how it went! Several librarians will present their experiences using online reading clubs. We will also share feedback about summer programming, themes, prizes, etc. regarding what worked and what didn't with our teens.

If you'd like to share your thoughts about a program, fill out the attached Program Evaluation Form or access the form on our YASD website:
